

Radiologic Technology Academic Coursework

ASSOCIATE OF APPLIED SCIENCE IN RADIOLOGIC TECHNOLOGY (A.A.S.)

The Associate of Applied Science in Radiologic Technology degree at Cleveland University-Kansas City (CUKC) requires a total of 75 credit hours. Your CUKC admissions advisor will work with you to evaluate and transfer your prior prerequisite coursework. (Professional radiologic technology courses may not be transferred.)

PREREQUISITE COURSEWORK

These courses may be taken in any order or term prior to entering the Radiologic Technology degree program. Prerequisite courses offered at CUKC are available online, on ground, or as a hybrid.

ENGL 101	English Composition I	3
MATH 110*	Intermediate Algebra	3
PSYC 110	General Psychology	3
COMM 201**	Communications and Diversity	3
SPCH 101	Speech	3
BIOL 250*	Anatomy & Physiology I	4
BIOL 251*	Anatomy & Physiology II	4
HSCI 102*	Health Science Terminology	1

* These courses must be completed with a "B" or better within five years of application.

**Diversity Requirement: The diversity requirement may be met with a 3 credit hour course encompassing more than one perspective in the following areas: Culture, Gender, Sexual Orientation, Social Class, Race, Age, Ethnicity, Ability or Religion.

GUARANTEED ADMISSION

Students who complete all of the required prerequisite coursework at CUKC will be granted guaranteed admission to the Radiologic Technology program, provided that all criteria for admission are met, and all other additional considerations are satisfactory.

PROFESSIONAL RADIOLOGIC TECHNOLOGY COURSES

Professional radiologic technology courses are delivered in a lockstep, competency-based format. Students are scheduled to complete specific courses as a cohort. There is no deviation from the course sequence determined by program officials. All professional radiologic technology courses must be completed with a grade of "C" or better. If eligible, a failed course must be repeated when it is offered the following semester, pending clinical availability.

RDTC 110	Intro to Radiologic Sciences & Patient Care	3
RDTC 120	Basic Procedures	3
RDTC 130	Imaging Concepts	3
RDTC 140	Intermediate Procedures	3
RDTC 150	Advanced Procedures	3
RDTC 165	Contrast Procedures	3
RDTC 170	Radiographic Pathology and Trauma	3
RDTC 210	Imaging Properties	3
RDTC 220	Clinical Education	4
RDTC 245	Clinical Education	7
RDTC 250	Advanced Imaging	3
RDTC 265	Clinical Education	7
RDTC 270	Radiation Protection and Modalities	3
RDTC 280	Senior Seminar	3
